Personal Life & Education

Born on 15th May 1989 to a family devoted to socio-cult development of the state, in Sagar District of Madhya Pradesh. from Sagar (MP) and High School Education from The Scin Gwalior, During the School Education had the honour of repre in Rajpath Parade on Republic Day; Bachelors of Business M Christ University Bangalore. Completed Masters Degree i.e Business from Liverpool University (UK).

Beginning of Career and Establishment as Education

Completing Masters Degree in International Business from U back. Instead of taking up home business, on parents suggest learn and getting lucrative job offers from multinationals deci Worked there for two years, from 2011 to 2013. But again lov native land people, dedication for Education Entrepreneur (MP). Took up Educational Entrepreneurship as career in 201 towards providing quality education to the young minds, technology, promote research and bring innovations in educ Received the Dainik Bhaskar Eminence Award for the co Education. And later on was awarded with the Pride of Madhya.

Growth & Expansion: Building Institutions

Continued the struggle and succeeded to achieve milestones one after another several impediments to set up the institution one after the other with allied activities in Sagar District of Madhya Pradesh and Skill based Education in India.

The Founder of Following Institutions:

- Gyanveer ITI, Sagar (MP)
- Gyanodaya ITI Jaisinagar (MP)

- Gyanodaya Physical Education College, Jaisinagar (MP)
- Gyanveer Nursing College, Sagar (MP)

- Gyanveer Skill Institute (Across India).
- Gyanveer Paramedical College, Sagar (MP)
- Gyanveer Pharmacy College, Sagar (MP)
- Self owned Private University - Gyanveer University, Sagar

Producing Quality and Skilled Human Resources:

Creation of Job Opportunities and Campus Placement

Created avenues of job opportunity in the institutions, projects of th organized Campus Placement. More than 20,000 students who passec working in different organizations or doing some courses in differ institutions for specialized studies.

Promoting Science & Build Nation:

Addressed more than 10,000 Students

Always instigates stakeholders to promote science for the cour development. Developed the platform to enhance Student's Talent C Science Day, Engineers Day, Ozen Day, Save Water Day, Save Planet, etc to provide a platform for showcasing the student's talent and creating a competitive mindset among future students. These all programme have become guiding force student's community ie, promoting scientific mindset. Because of this contribution DBT, Govt of India has supported to organise National Symposium at Gyanveer College of Pharmacy.

Quality Rural Education Is The Key To Make A Developed Country

Until and unless rural education is not given the priority India cannot be a dev-country as its more that 85% peoples are rural based. Therefore, I established institutions in the rural areas

also in order to give the facility of city like institutions. After evaluation it has been reflected that more than 80% students studying are from remote rural areas and getting the vision for NEW INDIA.

Adoption of Nearby Villages of Sagar

Under my Leadership Gyanveer Institute of Management and Science and Gyan College, Jaisinagar has adopted one-one village in the vicinity of the College. The objective of this unique initiative is to create awareness in issues related to education, health and economy. Special sessions for training and guidance especially for the women are conducted by the Colleges. Many initiatives are taken by Gyanv Gyanodaya ITI and Gyanveer Skill Institute to empower the rural folk through entrepreneurship and skill development training. Health Check up Camps organized by Gyanveer Nursing College, Gyanveer Paramedical College.

MoU Signed for Collaborative Work

For the overall development of the Stakeholders and Society as a whole MoU was signed with Educational Institutes, Companies and organizations.
